Uniting voices for collective progress

ABOUT KIET

KIET Group of Institutions, founded by the members of Krishna Charitable Society in 1998, is recognized as one of the best engineering colleges in Delhi-NCR.

It is efficiently moving towards its vision of shaping young minds with skill-oriented and value-based education. Its consistent belief in 'Achieving High' is aptly reflected in its academics, extracurricular activities, and placements.

The institute's belief is evident in the numerous Education Excellence Awards it has received. Accredited by NAAC with Grade 'A+' and with NBA-accredited programs (CSE, ECE, EEE, IT, ME, CE, MCA, MBA, and Pharmacy), KIET currently has 10,000+ enrolled students and is looking forward to having 12,000+ in the coming session.

ABOUT KIET MUN

KIETMUN, in its short span of existence, has earned a strong reputation in the Delhi-NCR MUN circuit. The 8.0 edition continues this legacy as a dynamic platform where participants engage in a true battle of ideas, using their wit, research, and voice to present impactful perspectives.

Model United Nations simulates UN proceedings, where delegates represent countries to deliberate and resolve global challenges.

It nurtures essential life skills such as public speaking, research, negotiation, diplomacy, and collaboration. KIETMUN 8.0 aims to empower participants to discover their potential, strengthen their articulation and writing abilities, and develop meaningful, solution-oriented approaches to contemporary global issues.

LETTER FROM THE FACULTY COORDINATOR

Democracy must be built through open societies that share information. When there is information, there is enlightenment. When there is no sharing of power, no rule of law, no accountability, there is abuse, corruption, subjugation, and indignation.” These profound words resonate deeply with the values we strive to instill in our students—not only academic excellence but also social consciousness, responsibility, and ethical leadership. In a rapidly evolving global landscape, it is essential that our youth are not just passive observers but active participants in shaping a just, informed, and inclusive society.

In light of this spirit, and as the Faculty Coordinator of this enriching initiative, it brings me immense pride and joy to witness the dedication, innovation, and collaborative energy displayed by our students in curating and executing such a dynamic and impactful co-curricular event. The sheer commitment shown by the organizing committee and participants is a testament to the vibrant intellectual culture we are fostering here at KIET.

I am confident that this event will not only mark a grand success in its execution but also leave an indelible impact on the minds and hearts of everyone involved. It will be a space where perspectives will be broadened, ideas will flourish, and every voice will matter. May this journey of learning, exploration, and collaboration continue to inspire and empower all of us. Wishing you a memorable, meaningful, and transformative event ahead.

Warm Regards.
Dr. Vipin Kumar Tyagi
Associate Professor
Faculty Coordinator - KIET MUN 2026

LETTER FROM THE SECRETARY GENERAL

Dear Delegates and Faculty Advisors, In a world that often finds itself divided by conflict and misunderstanding, bringing its citizens together on a platform where disputes can be settled through dialogue, diplomacy, and mutual respect has never been more vital. Model United Nations serves as that beacon—a space where young minds gather not only to simulate international diplomacy but also to shape their own understanding of global issues. Through MUNs, students step into the shoes of world leaders, gaining firsthand experience in diplomacy, international relations, and the procedures of the United Nations.

It is a forum that fosters essential life skills—meticulous research, powerful oratory, strategic negotiation, and the art of compromise. Most importantly, it nurtures the leaders of tomorrow by cultivating empathy, global awareness, and the spirit of collaboration

With this thought, we extend a warm and heartfelt welcome to each delegate, faculty advisor, and observer to KIET MUN 2026. We hope that over the course of this conference, you engage in meaningful dialogue, form lasting connections, and take with you not just accolades but insights that shape your worldview. We are certain that every session will spark compelling debates, thoughtful resolutions, and transformative experiences. May this MUN not only sharpen your intellect but also deepen your understanding of the intricate web of our global society. Together, let us aspire to not just represent change—but to be the very architects of it.

Warm Regards.
Ashutosh Kumar Singh
Secretary General
